DETAILED ACTION

This is in response to amendment filed 01/24/05.

Allowable Subject Matter

Claims 1-29 are allowed.

The following is a statement of reasons for the indication of allowable subject matter:

The prior art of record and that encountered while searching for the claimed invention fails to anticipate and/or suggest: An automated metadata discovery, assignment, and submission systems, comprising: automatically analyzing the content of the first file and assigning one or metadata values to the downloaded metadata fields based on the analysis, automatically discovering any pre-existing metadata values associated with the file and using the metadata values to populate corresponding downloaded metadata fields as recited in claim 1.

The prior art of record and that encountered while searching for the claimed invention fails to anticipate and/or suggest: A method and a computer-readable medium containing program instructions for automatically discovering metadata for digital image files and for submitting the metadata and image files to a network-based photosharing service by an application running on a client computer, the method comprising steps of: retrieving a next image file and using the values assigned to the previous image file to populate a portion of the metadata fields for the current image as recited in claims 10 and 20.

Art Unit: 2161

Regarding claims 2-9, 11-19 and 21-29, these claims depend from claims 1, 10 and 20 respectively and are therefore allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
